Sintered bronze  
element

40 micron filter

Adjustable  
screw to  
control flow

## Speed Control Mufflers

### Pneumatic Accessories

#### Product Overview

- Sintered bronze construction
- 40 micron rating
- Adjustable screw to control levels
- Locking Nut

#### Features

- High strength
- Diffuse air and muffle noise from exhaust ports of air tools
- Safe and infinite variations of metering air flow
- Keeps cylinder or air tool in final position
